1.) Meeting notes debrief from the workshop

[General problems with reviewing the presentations posted to the working website.]

CD: Will try to fix, but not sure how much smaller I can make the files.

KB: Also working to get info from last remaining presentations (John Day & Shirley Laska) posted.

2.) Meeting agenda for Mississippi / Alabama Meeting

KB presented the draft agenda for the Alabama portion of the next workshop provided by Carl Ferraro.

There was general agreement that the dates for the next meeting (March 6-8) will work.

LP: The Regional Sediment Management Master Plan will need a day to a day and a half

3.) Other topics

SG: Mentioned the opportunity to engage Parishes Against Coastal Erosion, coastal-wide group in Louisiana. They are planning a January meeting. Other state-wide or regional coalitions of coastal counties may also form.

QD: Offered to be a contact person for the Alliance for parish/county coalitions, other non-profits.

Call ended at 3:40 PM CDT.
